# Dear Sponsor,

We literally couldn't do it without you! Selkirk Outdoor Leadership & Education (SOLE) depends on the support of our Annual & Event Sponsors to fund our operations and continue to serve our region's youth. Our goal is to continue to provide these essential educational opportunities for our "leaders of tomorrow", but we need your help! Since our inception in 2011, SOLE's sponsors have served a pivotal role in getting well over 8,500 youth unplugged and outdoors to explore, achieve, and lead through SOLE's award-winning and nationally recognized experiential education programs, largely in outdoor settings.

Your generous contributions allow us to support:

1. Expand SOLE's capacity to offer additional in and out of school programs for underserved rural youth.
2. Secure education resources that underpin our intentional program designs.
3. Provide affordable access to SOLE programs throughout the year.

This sponsorship packet highlights SOLE's Annual & Event Sponsorship opportunities. We understand that your sponsorship creates a partner relationship with us, and we want you to feel mutually supported as well! We have created a benefits package to help highlight your company's commitment to SOLE while supporting your brand. Sponsorship levels and benefits, including when and where your brand will be highlighted is included in our packet. If you are interested in learning more about these opportunities specifically please reach out to me. Together we can create an amazing educational experience outdoors for today's youth!

As a team of dedicated volunteers, SOLE's Board of Directors and volunteers work diligently to ensure that sponsors receive their benefits throughout the year and are well recognized throughout our online and local community, consistently striving to make your sponsorship dollars count. We encourage feedback and discussion of sponsorship options, and are always looking for like-minded folks to join our team, so please reach out with your comments and questions.

Thank you for your consideration of support!
